POATS®

Sincerity, Competence, Quality —— Our commitment has been

Sincerity | Efficiency | Quality

Introduction 企业简介

POATS is a professional kitchen products supplier in China, and has been ISO9000 qualified. From the establishment of 2000, we have been focusing on total kitchen solution. To meet with high market requirement, all our products are met with US NSF, UK WRAS and Europe CE certification requirement. All products come out from POATS are passed DPI and FRI inspection, and with three-year Quality Warrantee.

The advantage is: High quality standard, on time delivery, competitive & reasonable price, and responsible after-sales service are the principles we follow to develop the mutual trust and confidence with our clients.
